PAUL O'BRIEN

1960 — 1978

"...For we know life's never measured
by how many years we live
But by the kindly things we do
and the happiness we give."
—Helen Steiner Rice

Written somewhere is the statement, "God alone knows how many people's destinies depend on ours." In his brief time Paul touched many people's lives, perhaps more than most of us ever could, because he had so much faith in his ideals, so much courage in expressing his beliefs, and so much love for others.

Some of us are given the privilege of knowing special people. They pass through our lives like meteors, searing our consciousness and leaving a blaze of light long after they are gone. How long it takes a meteor to cross the sky, though, has little to do with the beauty and wonder we experience in its passage. We are all blessed to have been chosen, privileged that Paul was given to each of us. That he lived among us is proof that God loves us.

DEDICATION

MR. HOWARD MORRISON

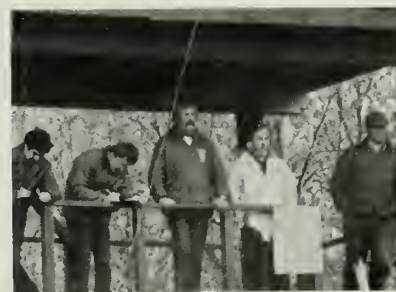

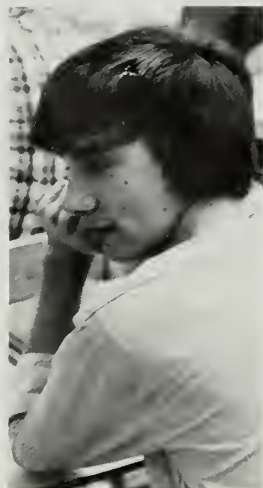

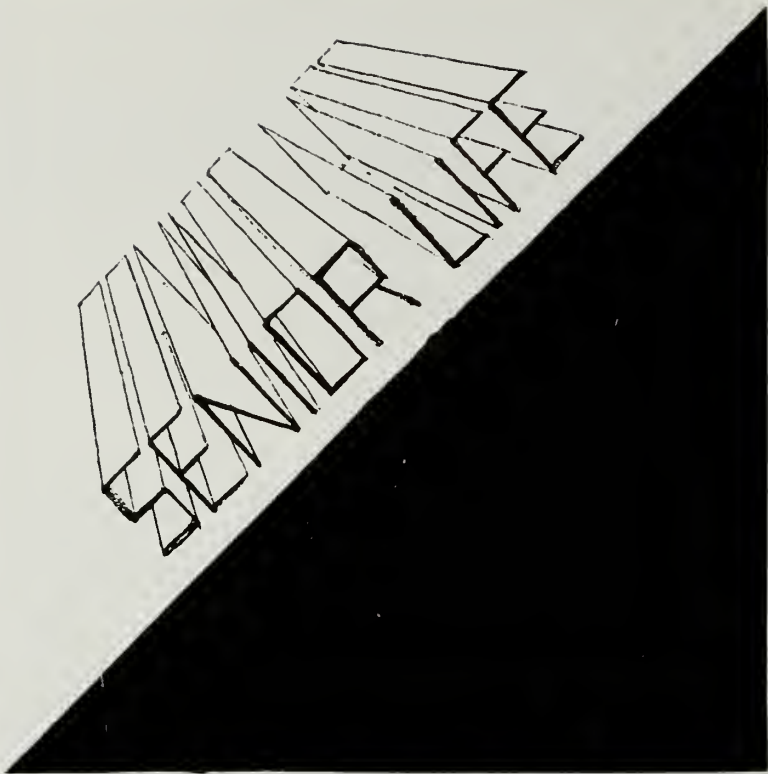

We the Class of 1978, dedicate our yearbook to Mr. Howard Morrison, who has shown his genuine interest in our school and particularly in our class.

Some of us have had the good fortune of being in his classes; some of us have known him as a coach; but all of us have known him as a faculty member sincerely interested in the students of Canton High. We choose at this time to honor Mr. Morrison as a teacher, as a coach, and especially as a friend.

Our senior year has been a very special year in our lives. As our class adviser, Mr. Morrison has assisted us in more ways than we can enumerate. Through his advice and hard work, our Senior Breakfast, Football Luncheon, Senior Banquet, Senior Prom, and Graduation will serve as happy, lasting memories of our final year at CHS.

We dedicate the record of this past year, ECHO '78, to you Mr. Morrison with deep gratitude and thanks for all you have done to make our senior year a great one.

The Canton High football team captured its first Hockomock League Title this season. Finishing with six wins and four losses, this year's team combined a superb, high-scoring offense with a tough, hard-hitting defense, to gain the Hockomock Crown.

The total team effort which characterized the Bulldogs' season was epitomized in the Thanksgiving Day game. Entering the contest tied for first place with Stoughton, the Cantonites proved their superiority by crushing the Knights 27 - 2. This victory was a deserving reward for the hard work and the dedication of every member of this year's squad.

Congratulations to Michael Uliano, quarterback; Joseph McPherson, tackle; Kevin Brophy, linebacker; and William Murphy, center; who were voted to the Hockomock League All-Star Team.

THERRIEN HAS A SYSTEM

Coach of the Week

— Pat. Ledger, 11/26/77

Paul Therrien was soggy, but happy.

Soggy, because the Canton High coach had just been tossed in the showers. Happy, because the dunking was in celebration of Canton's 27-2 triumph over Stoughton and the clinching of Therrien's first Hockomock League Football Title.

The running game, as it has been so many times this season, was once again Canton's key to victory ... as the Bulldogs ran for 319 yards.

Meanwhile, the Canton defense allowed Stoughton just 66 yards on the ground ... The Black Knights were never able to sustain a drive and never moved inside the Canton 35-yard line...

The Canton High Field Hockey Team enjoyed a very successful season, and finished second in the Hockomock League. The team compiled a record of eight wins, two losses and six ties, for a total of twenty-two points. Although the team displayed a fine offense, this team specialized in defense, allowing only seven goals to be scored against them in sixteen games. Coach Linda Farley was very proud of her girls, who worked hard to achieve such an outstanding record.

Special mention goes to Paula Monahan, center forward; Lisa Smith, left half-back; and Nancy Bille, left half-back; who were elected to the Hockomock League All-Star Team.

CHS — GIRLS' CROSS COUNTRY CHAMPIONS

"The Canton Girls' Cross Country Team successfully dominated the Hockomock League Championship meet at Stonehill College last week, gaining four of the top ten positions, while collecting first place as a team.

... Winning the championship meet was a superb accomplishment for the Canton girl harriers, a feat only matched by their undefeated dual meet record of eight wins and zero losses. They are a credit to their school and town and a fine example of what self-discipline and hard work can do for any athlete ... "

— Canton Journal

The Girls' Cross Country Team had its most successful year at Canton High, sporting an undefeated 8-0 record, and gaining first place in the Hockomock League Championship Meet at Stonehill College, third in the South Shore Principals' Meet, and seventh in the Eastern Massachusetts Division II Championship Meet.

Andrea Kershaw, Vicki Govatsos, Mary Macdonald and Ann Macdonald were among the top ten runners in the Hockomock League. These girls are a fine group of top, young athletes and deserve special recognition for their fine performance this year.

Canton High Girls' Swim Team delighted in an exciting season. They compiled a most impressive record of eleven wins, two losses and finished second in the Hockomock League. Led by first year Coach Ronnie Dunn, these girls displayed great poise and self-confidence in all meets.

A new high school record was set by the 200 yard Individual Medley Relay Team of Lori Davenport, Maureen Cavanaugh, Lauren Gaboury, and Nancy Keenan. Maureen Cavanaugh set a record in the 100 yard breast stroke, and Debra Poore established a new mark in the 200 yard Individual Medley.

Debbie Poore also deserves special recognition for her fine diving skills. She placed first in diving in the Eastern Massachusetts Championship Meet and also in the Massachusetts State Championship Meet. Debbie was elected to the Boston Globe All State Team.

CANTON HIGH HOCKEY MAKES TOURNEY ONCE AGAIN!!!

Great hockey teams at Canton High have come to be as customary as the common cold. This year's team was no exception. Their final record of 8 wins, 3 losses, and 4 ties placed them one point behind the league champs, Franklin. The team once again qualified for the State Tourney. Although their hopes for another trip to the Garden were cut short by a late flurry of goals by a tough Triton team, the Bulldogs exhibited some exciting tournament play in their 4-3 overtime squeaker against Blue Hills.

This year's team was a very young one. With only a few seniors returning from last year, the team was mainly a blend of juniors, sophomores, and freshmen. They played extremely well all season, showing great emotion and enthusiasm which made them even more enjoyable to watch. The team, as well as Canton hockey fans, should be proud of their fine performance this season.

Congratulations to the following team members who were named to the Hockomock League All-Star Team: sophomore right wing, Michael Trayers with 18 points in Hockomock League play; sophomore goalie, Peter Desisto who sported a 1.85 goals against average; and junior defenseman, Dennis Aldrich who finished with 13 points this season.

The anticipation of a winning season was not realized by the Canton High Girls' Basketball Team. The record, however, does not reveal the many close games that were lost in the final seconds. The cohesiveness of the team was difficult to realize due to the composition of the team; three seniors with the balance of the team underclassmen.

The spirit, desire, and hustle of the team never faltered and undoubtedly will contribute to the future success of CHS girls' basketball.

JUNIOR VARSITY

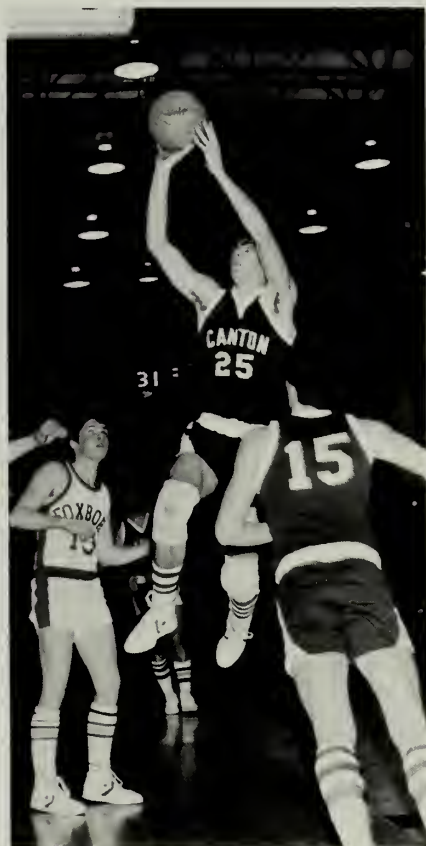

Row 1: Trainer Stati, S. Winthrop, C. McDonald, J. Mills, K. Sullivan, Coach Sanderson. Row 2: S. McGilvary, A. McPherson, R. Payne, L. Jacobs, L. Flight. Row 3: C. Mosely, R. Devine, J. Hamrock, E. Kent, K. Brown.

The CHS Boys' Basketball Team had one of its finest seasons in recent years. With a record of 11 wins, 5 losses, the team finished in a tie for second place in the Hockomock League and qualified for the State Tournament.

The team led by senior tri-captains Craig Foreman, Steve McLaughlin, and John Shea, added great excitement to our winter sports. Games were packed with sparkling offensive and defensive plays and as Bulldog fans will attest, kept us in suspense for the entire season.

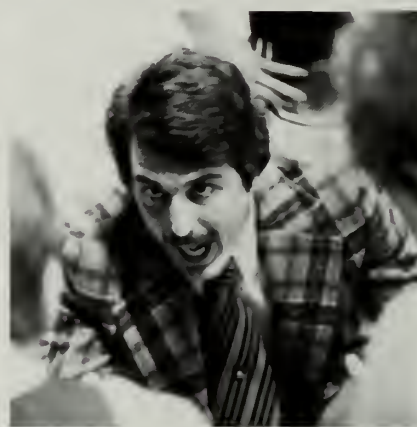

Second year Coach Boutin, has been working since the summer with the team, preparing for this season. The team consisting of only four seniors and several fine juniors benefited by its drills and practices and played as a consistent unit all season.

Congratulations to John Shea, who was elected to the Hockomock League All-Star Team, and to the entire team for playing so many outstanding games and for their fine year.

The 1977-78 gymnastics team was the strongest Canton has had, scoring consistently over the eighty point mark. Finishing in third place, in a very strong league, was a great accomplishment. The girls missed placing in the State Tournament by less than one point.

High scorers for the team were Debbie Poore, setting a new school record of 314.9 points; Judy Nicholson, who earned the title Balance Beam Champion, of the league for the third consecutive year; Barbara Paradis who led scoring on the uneven bars all season and placed second in the league championship; and freshmen Dawn Cooke, Barbara Flaherty, and Stella Lagadinos who also won awards at the championship.

The team was led by five seniors, Captain Maria Danesi, Mary Aprea, Diane Bowen, Barbara Paradis, and Judy Nicholson. When these seniors were freshmen, gymnastics was a new sport at CHS. In the past four years the team has grown from mediocrity to the level of one of the strongest and deepest teams in the state. A great deal of credit should be given to these seniors who have grown with the team. Congratulations on a great four years.

SOFTBALL

The Canton High Girls' Softball Team treated their fans to another thrilling year, putting together their second straight undefeated season and capturing the Hockmock League Championship. Canton now has 32 straight victories in league play. In addition, they again won the Taunton Invitational Tournament, defeating two strong teams, Dighton-Rehoboth and Westport en route to their championship.

Bad luck befell the Canton team in the State Tournament, however, as two of Canton's top players, Audrey Cohen and Patti Davis, were sidelined with injuries. Although defeating their first opponent, the team fell to a strong Silver Lake team in the quarterfinal round.

Coach Scully is very proud of his girls, who have compiled one of the best records in Canton High athletic history. Over a two year period, Canton has 38 wins and 2 losses; both defeats to very strong teams in State Tournament Competition.

Members of the team who gained Hockmock League All-Star status are: Vicki Balsamo (left field), Ruthann Casale (third base), Audrey Cohen (pitcher), Patti Davis (first base), Debbi Moberger (catcher), and Sharon Mandell (shortstop). In addition, Audrey Cohen was named the outstanding player in the Hockmock League and Debbi Moberger received honorable mention on the Boston Globe All-Stars.

THIRTY TWO STRAIGHT VICTORIES!!

"It is pure pleasure to watch the way these Canton High girls play softball.

Combining unusual fielding and throwing skills with consistent pitching and excellent batting, they roughed up King Philip, 10-4, in Hockomock League play yesterday. It boosted the Bulldogs to 10-0 on the season and extending the consecutive win streak to 26-0 in regular league games.

These girls just don't make many mistakes . . ."

The Canton High School Math Team has achieved the most outstanding record ever achieved by any Math Team in New England. They have won three consecutive Large School State Championships, and two consecutive New England Large School Championships. In addition, they won two league championships as well as the play-offs during the past two years.

This year the team has already established itself as the top team in both leagues and should repeat as champions in each league again this year. The following graduating seniors have been partly responsible for this outstanding record: Jay Brockman, Lindley Gifford, Richard Kelley, David Melchin, Debbie Moberger, Francis O'Neill, Barbara Paradis, William Scannell, Joshua Simons and Ira Tatelman.

Many of these students have continually ranked among the best performers each year in which they have competed. These performances were rewarded with suitable awards in the form of trophies. Several of the students earned the right to represent an "All State" team in post season competition. The team won the Atlantic Region Mathematics League Competition held in Hartford, Connecticut last year. In participate in state and national individual competition. The following students placed in the top of all students competing in the State Olympiad examination: Lindley Gifford, Richard Kelley, Francis O'Neill, and Joshua Simons. This examination is taken by over 6000 students in Massachusetts.

On the national level, Canton High School's Math Team placed ninth in the country on an examination sponsored by the Mathematics Association of Actuaries, and taken by students in thousands of schools throughout the United States.

CHS Math Team is highly respected by teams not only in New England but along the Eastern Seaboard. It is through hard work and great effort on the part of many people which has earned the Canton Math Team the right to be called NUMBER ONE.

FRENCH EXCHANGE

Mrs. Beaton, N. Dorrity, C. Shea, K. Donovan, D. Gaynor, K. Taylor, L. Mackay, D. DiCostanzo, D. Vinios, N. Simm, N. Heinemann, L. Oshry, R. Liftman, C. Gramer, I. Tattelman, R. Murphy, A. Clark, A. Ippolito, L. Goransson, M. Chambers, L. Smith, J. Brockman, W. Scannell.

Canton High's experience in a foreign culture has led to an increased understanding of French culture in general, and to a new understanding of our own culture as well.

Our exchange program emphasizes an intelligent observation of France and an active participation in the life of its people, and most importantly, involvement within a family unit.

The program has both an academic and social aim to promote the student's intellectual growth and his capacity for cross-cultured understanding.

As our Canton High Students are fond of saying:

Vive la France!

The Canton High French Club enlivens the study of French for the students, as it provides opportunities for many enjoyable features of language study.

We have had the chance to enrich our bodies by partaking in a fest of crepes and the chance to enrich our minds by seeing the French play, *L'Etranger* by Camus.

We have also had the chance to foster relations by being a co-sponsor with the Spanish and German Clubs of a Holiday Fete, replete with food and music representative of the three countries.

The Spanish Club has participated in various activities during the past year. In the fall, the members attended a Spanish film. At Christmas, native food was prepared by the students for a fiesta. This spring, all made the annual visit to a Spanish restaurant.

The newly formed German Club has planned many activities to enrich the cultural background of the members. These include going to a theater performance of a german play, a dinner at a german restaurant, and a visit to The Goethe Institute in Boston.

Preparations are starting for a possible three-week exchange program with a gymnasium in Germany for the spring of 1979.

This is the fifth year of Canton High's participation in the Close-Up Program.

The Close-Up Program provides its participants with the opportunity to experience the citizen input in the democratic process. Students have the opportunity to meet the people responsible for the governmental foundation of our country.

The sightseeing enjoyed by the students, the meeting of news-making people, and the opening of governmental doors, provides the participants with a greater knowledge and understanding of their government.

SCHOLAR DOLLAR DAY

Once again this year the Scholar Dollar Committee planned a Crazy Cop Day to raise funds for scholarships for Canton students.

At the same time students were participating in a door to door campaign, warrants were served on prominent citizens, teachers, and business people. Members of the school committee, selectmen, school administrators, and students of Canton High all acted as the "officers of the law." "Fines" imposed and funds raised were contributed to the Scholar Dollar fund which awards scholarships each year.

It is an enjoyable day and a rewarding day to have so many people in Canton work together for the benefit of the students.

On a sunny day in September 1977, the Class of 1978 met for the first time as seniors. An eager Echo Staff, however, had already been long at work in planning and preparing this yearbook. As the school year began, pages began to take form. With our early excitement still strong, the color, faculty, fall sports, and senior sections all fell into line. Then, without warning, the storm hit. Like everything else in Canton, ECHO '78 was buried under ten-foot drifts. Our staff met the formidable challenge of "digging out" by working long hours, both in school and out. Finally, five deadlines and two hundred sixty pages later, the yearbook went to press.

These past four years which we have spent at CHS, will always be special. Despite the many steep sections which we encountered in the frantic climb from the lowly depths of freshmen to the dizzying heights of seniors, we are left with many great memories to cherish. It is with pleasure that the Staff of ECHO '78 has recorded our final year at Canton High School.

CONGRATULATIONS

Class of "78"

Now that you have completed your high school education, unlimited possibilities for interesting careers await you.

With your high school diploma, you can afford to be selective in your choices of a career.

We would be pleased to discuss with you at any time opportunities available, both in our office and distribution center, as well as retailing in the hundreds of shoe departments we operate coast to coast.

Whatever your career decision, we extend to you our best wishes for your success.
